

# 5 Fabulous Food TRUCKS

*IN OLIVER WE HAPPEN TO HAVE A HANDFUL OF THESE DELIGHTFUL TRUCKS MAKING BELLIES HAPPY AND BIG NAMES FOR THEMSELVES IN THE CULINARY FABRIC THAT HAS WOVEN ITSELF INTO OUR COMMUNITY.*

If you're ever so lucky, you'll find some of these talented Chefs serving up their creations against the stunning backdrop of one of our local wineries. Or take a peek behind the Firehall Brewery, where you may just get to wash down your tasty eats with a cold, refreshing pint.

No reservations required, but you might have to take a number and stand in line! Don't worry, these street eats are seriously worth the wait. Whether it's a fun fusion hot dog, a twist on an old favorite, a legendary hot chicken sandwich, or signature road side tacos you crave, make sure you check out Oliver's food truck scene!
